

CW INDUSTRIES

130 James Way, Southampton, PA 18966
Tel. (215) 355-7080 FAX 215-355-1088

July1, 2016

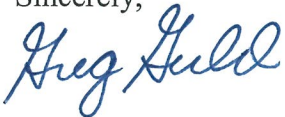

To Whom it may concern:

The European Union (EU) has adopted regulation no 1907/2006, also known as the REACH (Registration, Evaluation and Authorization of Chemicals) regulation, which became effective 1st June 2007. REACH requires registration of all substances manufactured in or imported to EU, subject to certain limited exceptions. Manufactures and importers can pre-register substances which will allow additional time to complete the formal registration process.

REACH also requires that actors in the supply chain identify the presence of Substances of Very High Concern (SVHCs) that are taken up in the Candidate List as defined in Article 57.

CW Industries is pleased to advise that none of the items manufactured by CW Industries contain any Substances of Very High Concern (SVHC) from the Candidate List Updated on June 20th 2016.

Sincerely,

Greg Guld
