Re: Certificate of RoHS 3 Compliance

The CW Industries' products listed in the table below conform to known industry standards concerning the RoHS Directive 2011/65/EU and amendment of 2015/863/EU of the European Parliament and of the Council of 4 June 2015 on the restriction of the use of certain hazardous substances in the electrical and electronic equipment and specifically the following EEE requirements:

- Cadmium <.01%
- Lead <.1%
- Mercury <.01%
- Hexavalent Chromium <.1%
- Polybrominated biphenyls <.1%
- Polybrominated diphenyl ethers <.1%
- Bis (2-Ethylhexyl) phthalate <.1%
- Benzyl butyl phthalate <.1%
- Dibutyl phthalate <.1%
- Diisobutyl phthalate <.1%

Exclusions to RoHS 2 Compliance Declaration	
<i>Product Category</i>	<i>Description</i>
Switches	No Exclusions
Connectors	All connector produced with solder plating, including products with a –0003 suffix and all M24308,M83503, 5189096, 3164341, and 3164342 military connectors.
FOR INFORMATION ABOUT A SPECIFIC PART NUMBER, PLEASE CONTACT THE FACTORY	

Note: Some switch versions such as GRS-4000 series Miniature Rocker switches are RoHS 3 by exception Annex III 8(b) Cadmium and its compounds in electrical contact.

Cordially,
